

# CARBON TESTING ON FARM FIELD-DAY

Callide Valley Healthy Soils group invites you—

**What - Field walk and discussion on carbon in soils**

**Presenter—Dr Thakur Bhattarai (CQUniversity)**

**Where - Bongers Farm — (Burnett Highway, Jambin)**

**When - Friday 18th September 2015**

**When - 3.00pm—includes a BBQ  
and refreshments**

**Cost - \$20 per person**

Callide Valley Healthy soils Group is hosting a field walk and demonstration of the carbon coring unit with the support of Dr Thakur Bhattarai

(CQU) and Grazing BestPrac. Tony and Peter Bongers will be baseline testing their pastures to assess the level of soil carbon under the latest Australian Govt soil carbon program. We will be discussing the coring and analysis that has been completed to date as well as the cost of baseline testing and the potential benefits of carbon farming. This is the first planned field day being run across central Qld in coming months.
