HEALTHY SOILS INC FIELD DAY AND AGM

Where - 894 Keppel Sands Road, Joskeleigh

When - Saturday 6th December

When - 9.30 am - 2.30 pm.

Cost - free (Please bring your own lunch/ hat and chair)

Please join us for an exciting field day discussing soil health, carbon, dung beetles and future research into monitoring soil health.

The program includes a paddock session to collect dung beetles & to analyse soil issues on Barry Sykes property at Joskeleigh.

Key topics -

- **Regenerating degraded soils**
- **Soil microbiology (Dr Sandrine Makiela CQU)**
- **Dung beetles in CQ (Mick Alexander)**
- **Understanding soil analysis**
- **Annual General Meeting.**
