SOIL AND PLANT HEALTH WORKSHOP

Presenter—Graeme Sait (Nutri-tech Solutions)

Where - Scotts Permaculture (440 Cawarral Road, Cawarral)

When - Wednesday 11th February 2015

When - 8.30 am—5.00 pm

Cost - \$50 per person (incl smoko and lunch)

Members — \$20/ person special discount.

Healthy soils Inc is hosting a full day workshop with the support of Scotts Permaculture and Nutri-tech Solutions. We have reduced the price to simply cover costs. It is rare to get a world travelled expert like Graeme Sait to Rockhampton. So, please join us for an exciting workshop discussing soil health, managing nutrition of plants, human health and permaculture.

The workshop is being held at Scott Aldred's permaculture farm and will concentrate on how we can make the most of our own food and natural systems.
