

HEALTHY SOILS INC

WORKSHOP

Where - BELMONT RESEARCH STATION (Rockhampton)

When - Saturday 17th May

When - 9.30 am - 1.30 pm.

Cost - free (smoko and lunch supplied)

Please join us for an exciting workshop discussing carbon, dung beetles and future research into monitoring soil health.

The program is sponsored by Bimrose Oils and includes a paddock session to collect dung beetles & tour the facility.

Key topics -

- **Soil Carbon Measurements (Dr Thakur Bhattarai)**
- **Future Soil Projects**
- **Soil microbiology (Dr Sandrine Makiela CQU)**
- **Dung beetles in CQ (Mick Alexander)**
- **Bimrose Oils (Tom Bimrose)**
- **Agforce presentation (Frank Murray)**
- **Belmont Station (Phil Orchard)**

Thanks to Agforce for their support
